

Civil Service Commission Regional Office VI

August 19, 2024

Dr. JUDY ANN T. DUMAYAS
Medical Center Chief I
Western Visayas Sanitarium and General Hospital

Dear Dr. Dumayas:

This is to acknowledge receipt of your agency's customized Learning & Development (L&D) Policy and Guidelines transmitted through your letter dated August 12, 2024.

We appreciate the continuous efforts of Western Visayas Sanitarium and General Hospital in improving your HR systems through the development of your customized policy in L&D. Please be informed, however, that your agency may already implement your L&D policy without the need for the approval by the CSC.

Thank you for your usual strong support to the programs of the Civil Service Commission.

Very truly yours,

NELSON G. SARMIENTO
Director IV

PS:ED/NGS/KME/asj
EDTS#081324-BD813

WVSGH HOSPITAL MEMORANDUM
No. 2024-0124

TO: ALL DIVISIONS; SERVICES

SUBJECT: Dissemination and Implementation of the Customized Learning and Development (L & D) Policy and Guidelines

In line with the strategic direction of this Health Facility to achieve Level II of the Program to Institute Meritocracy and Excellence in Human Resource Management (PRIME HRM) pursuant to **Department Memorandum (DM) No. 2023-0347¹**, the approved Customized L & D Policy and Guidelines is hereby disseminated for implementation effective **IMMEDIATELY**.

Said Policy and Guidelines is attached herewith for reference.

This Memorandum, issued in the best interest of the service, is hereby declared official, confirmed and made of record.

For information, guidance, and compliance.

For dissemination to all concerned.

JUDY ANN T. DUMAYAS, RN, MD, MPH, CSEE
Medical Center Chief I

¹ DM No. 2023-0347 (September 14, 2023) Adoption of Policies for PRIME-HRM Accreditation

WVSGH Customized LDMS Policy and Guidelines

WVSGH PRIME - HRM

Republic of the Philippines
Department of Health
**WESTERN VISAYAS SANITARIUM
AND GENERAL HOSPITAL**
Santa Barbara, Iloilo

**CUSTOMIZED LEARNING AND DEVELOPMENT MANAGEMENT
SYSTEM POLICY OF THE ORGANIZATION**

I. RATIONALE

With the establishment of its Hospital Development Plan 2020-2030, the Western Visayas Sanitarium and General Hospital (WVSGH) sets its strategic positioning to become a 500-Bed Medical Center, Infectious and Toxicology Specialty, and Sanitarium by the year 2030.

Anent to the gradual designed expansion of its authorized bed capacity (ABC), infrastructures, scope of services, equipment, training, research and manpower, is the management commitment to ensure continual improvements and effectivity of the Human Resource Management and Performance Management System as indicated in its formulated Quality Objectives and Policy.

ISO 9001:2015 Re-certification of the organization on May 28, 2021, and its Certification on Performance Governance System (PGS) to Institute for Solidarity in Asia (ISA) as Initiated dated December 10, 2021, graced with the Silver Trail Blazer Award, including, the commencement of the Program to Institutionalize Meritocracy and Excellence in Human Resource Management (PRIME-HRM) Implementation – are among the few of the salient activities included on the roadmaps and milestones of WVSGH performance management development along with specific time-frame.

Meanwhile, as a DOH hospital, the WVSGH has adopted the system and practice of the Civil Service Commission (CSC)-approved Department of Health (DOH) Integrated Learning and Development Management System (LDMS) Implementing Guidelines, as per Administrative Order (AO) 2021-0007 dated January 12, 2021 based on the series of feedbacks and recommendations of the NCR-Regional Office from the previous DOH

"Our Commitment, your Care"

feedbacks and recommendations of the NCR-Regional Office from the previous DOH LDMS Implementing Guidelines in support of the Section 30 of Executive Order (EO) No. 292 s. 1987 of the Administrative Code of the Philippines as per EO No. 192 s. 1999 Re. Redirection of the Functions and Operations of the DOH and pursuant to its alignment of continuing professional development of Human Resource for Health (HRH) with the passage of the Republic Act 11223 known as the Universal Health Care (UHC) Act.

In the midst of identified gaps from its adoption and assessment brought about by the PRIME-HRM Implementation in WVSGH, as per Hospital Memorandum 2021-0454 dated December 20, 2021, the Management is compelled to recognize the importance of the institutionalization of its own LDMS beyond sheer and simple compliance to strengthen and empower HRM towards effectivity, competency, and policy contextualization.

Wherefore, this drafted Customized LDMS Policy of the organization was taken as relevant output to the Course Training on Learning and Development for PRIME-HRM Level 2 sponsored by the Civil Service Institute (CSI).

II. OBJECTIVES

This proposed customized LDMS Policy which eventually become a fundamental part of WVSGH LDMS Enterprise, shall not only direct strategically the operationalization of a current L&D system of hospital on the continuing professional development, career progression and specialization as anchored on the very thrust of the DOH, but nonetheless, be considered as indicative of a system framework appropriated accordingly to organizational context and maturity level of WVSGH PRIME-HRM.

Specifically, it aims to:

- A. Concretize the organization's compliance to DOH Guidelines on Integrated LDMS as mandated through systematization of its basic L&D principles amidst emerging unique practices;
- B. Ensure organizational effectiveness and improvement of individual employee by:

B.1. Aligning strategically of LDMS to competencies and core values implied in WVSGH Charter Statement (Vision, Mission, Goals, Quality Objectives, and Quality Policy);

B.2. Incorporating the processes of functional quality and performance management systems (PGS and ISO), all integrated at once; and

B.3. Strengthening the monitoring and evaluation framework for determining the true value of its investments.

C. Provide HR Office with proper competency framework in the management and oversight of WVSGH LDMS through effective acquisition of competency, learnings and values, and by proper delegation of relative functions that would impact more efficiency in WVSGH healthcare service provisions and mandates:

D. Customize L&D policy and processes in pursuit of organizational goals and strategic direction, which, at par, covers the paradigm shift of its management system in the PRIME-HRM Level 2 implementation – that is, from sheer compliance to initiatives; from mere adoption to customization and innovation of processes; and

E. Establish the WVSGH LDMS Manual.

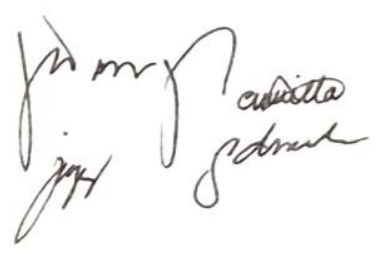

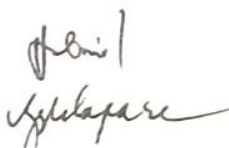

III. SCOPE AND COVERAGE

Provisions of this customized WVSGH LDMS Policy shall be adopted in all divisions, departments, sections, units, offices, committees and programs of the organization.

Employees at all levels under Plantilla, Human Resource for Health (HRH) and Contract of Service (COS)/Job Orders (JO) shall be covered by the LDMS.

Competency trainings and learning of the organization head, including those in Acting or in Office-In-Charge (OIC) capacity, and in the EXECOM as members, are also covered

12

IV. DEFINITION OF TERMS

For purposes of this customized LDMS Policy, the following terms shall be defined as:

- 1) Blended Learning — refers to a combination of open distance learning and face-to-face classes delivered in both online and classroom settings.
- 2) Certification — refers to the process of validating the qualifications and competencies against standards.
- 3) Certification Programs - refer to the DOH-initiated certification programs wherein assessments are conducted and competencies are recognized based on a standard of performance, e.g., DOH Nurse Certification Program, Primary Care Worker Certification.
- 4) Competencies — refer to observable, measurable and vital knowledge, skills, and attitude that are translations of capabilities deemed essential for organizational success.
- 5) Competency-based Assessment — refers to the process of collecting evidence and making judgments on the nature and extent of progress towards the performance requirements set out in a standard, and determining the levels of development they have achieved based on prior assessment. It is based on the actual skills and knowledge a person can demonstrate in the workplace.
- 6) Continuing Professional Development (CPD) - refers to the inculcation of advanced knowledge, skills and ethical values in a post-licensure specialization or in an inter- or multidisciplinary field of study, for assimilation into professional practice, self-directed research and/or lifelong learning.
- 7) DOH Competency Framework — refers to the document that provides an inventory of specific competencies necessary for effective job performance aligned to DOH mandates and objectives.
- 8) DOH-initiated LDIs — refers to learning and development programs, activities, events, courses organized and funded by various DOH Offices.
- 9) Formal Learning — refers to educational arrangements such as curricular qualifications and teaching-learning requirements that take place in education and training institutions recognized by relevant national authorities, and which lead to diplomas and qualifications (CPD Act of 2016).

- 10) Human Resources for Health (HRH) or Health Workforce — refers to all people engaged in actions whose primary intent is to enhance health (World Health Organization, 2006).
- 11) Individual Development Plan (IDP) — refers to a tool to assist employees in career development and improvement in current job performance. it involves preparation and continuous feedback between employee and supervisor (DOH-SPMS Form 7-IDP).
- 12) Informal Learning — refers to learning that occurs in daily life assessed, through recognition, validation and accreditation process. and which can contribute to a qualification (CPD Act of 2016).
- 13) In-Service Scholarship - refers to postgraduate degree scholarships being offered to regular employees and staff of DOH or other government health facilities.
- 14) Learning and Development Needs Assessment (LDNA) — refers to tools and activities designed to identify gaps in competencies necessary to fulfill job functions and determine interventions necessary to fill the gaps.
- 15) Learning and Development Intervention (LDI) — refers to a set of learning activities, events or methods that teaches skills, knowledge or competencies in order to improve performance and meet an agreed standard of proficiency. This includes training and non-training interventions with defined learning outcome.
- 16) Learning and Development Management System (LDMS) — refers to a system of developing the competencies of human resources by appropriately identifying their competency gaps, designing and implementing the appropriate interventions, and evaluating improvements in performance. It is composed of the following processes: assessment, design, delivery, and evaluation.
- 17) Learning and Development Officer (LDO) — refers to designated staff in-charge of assisting the HRMO and OSM in the administration of LDNA, LD Planning and implementation, and evaluation of learning.
- 18) Learning and Development (LD) Plan — refers to the list of priority LDIs to be conducted by DOH Offices, as a result of the LDNA. This is usually communicated as an annual LD Calendar and termed as: 1) Staff Learning and Development Plan for DOH staff or 2) CHD Learning and Development for non-DOH HRH.
- 19) Learning and Development Intervention (LDI) Provider — refers to an individual, group of individuals, a unit or an institution/ organization within or

V. GUIDELINES

In line with the PRIME-HRM Level II Implementation, and pursuant to the established Internal Guidelines on the Implementation of Equal Opportunity Principle (EOP) in the four (4) areas of HRM system of the hospital, the WVSGH LDMS shall always ensure objectivity, engagement, and equality against discrimination in its management of learning and development, including trainings and formations concerning competencies, on account of political or religious affiliations, sex, sexual orientation and gender identity, civic status and work level position, age, disability, or ethnicity.

Towards this end, the following guidelines shall be then adopted:

A. General

- 1) The WVSGH Learning and Development Management System (LDMS) shall be consistent with the requirements of Civil Service Commission (CSC), Quality Management Systems (QMS), and Performance Management System (PGS) for the development of staff competence.
- 2) The goal of WVSGH LDMS shall be aligned with continuing professional development, career progression and specialization, as provided by existing laws.
- 3) The WVSGH LDMS shall be based on development needs as determined by competency assessment and performance assessment exercises.
- 4) The WVSGH LDMS shall operate on the following process framework: (1) Assessment, (2) Design, (3) Delivery, and (4) Evaluation.
- 5) The Personnel Development Committee (PDC), as noted by the HRMO, recommendation for Personnel Orders shall be limited to LDI for proper monitoring of LDMS implementation.
- 6) All WVSGH LDIs shall be documented and evaluated in alignment to the strategic direction and development plan of the hospital.
- 7) The LDMS shall be also aligned with the currently established DOH Competency Catalogue (competency map and competency dictionary) which shall be reviewed and updated every five (5) years.
- 8) Payment of attendance to LDIs shall be based on existing DOH, Department of Budget and Management (DBM), Commission on Audit (COA), CSC, and

established internal guidelines, such as but not limited to Hospital Memorandum No. 2019-0005 Re: Guidelines on the Retention and Distribution of Philippine Health Insurance Corporation (PHIC) Professional Fees as "Pooled Funds" at Western Visayas Sanitarium, Approved Consolidated Learning and Development/Training Project Procurement Management Plan (PPMP), subject to relative accounting and auditing rules and regulations.

B. Specific

1) WVSGH Staff Development

a) Administration of Learning and Development Needs Assessment (LDNA)

- i. All Division/Departments/Section/Units/Office/Committees and Programs of WVSGH shall use the prescribed DOH competency framework, per position, in the conduct of LDNA using the form attached as Annex A;
- ii. All staff, including but not limited to Plantilla, COS/JOs, as well as the HRH, shall be included in the LDNA;
- iii. Executive Committee members, newly hired employees who are less than six (6) months in service and those who will retire from the service within the next six (6) months shall be exempted from the LDNA;
- iv. LDNA shall be administered every three (3) years, if there is no movement in rank and position. Those who have been promoted, reassigned, or appointed to another position shall re take the LDNA based on their current position;
- v. The LDNA shall be administered by the designated LDO of each Department/Section/Unit and validated by their respective division head as supervisors.

2) Staff Learning and Development Plan

- i. Results of the LDNA shall be consolidated per division and translated by the HRMO into a staff LD Plan (see Annex B);
- ii. Prioritization and targeting for the LD Plan shall be based on the LDNA results and the most critical performance and competency gaps of each unit and division;

- iii. LD Plan shall be coordinated with GAD Plan and other concerned committee.
- iv. Annual staff LD Plans per division shall be submitted to HRMO before December of each year and shall be consolidated by HRMO into WVSGH Annual staff LD plan which shall be published every first week of December of each year;
- v. Implementation of the LD Plan shall be included as one of the annual performance commitment targets of each unit and division as reflected in the DPCR and OPCR.

3) Design of LDI

- i. The development of unit-specific competencies (technical expertise) for WVSGH staff shall correspond to their professional specialization and advancement in their position level and development plan;
- ii. All syllabus/course flyers of LDI's to be attended by WVSGH staff shall be reviewed by Office of Strategy Management (OSM) for the alignment and consistency with the competency framework and hospital development plan;
- iii. The design of LDI for WVSGH staff shall be based on the DOH competency model (see Annex C);
- iv. LDIs not addressing competencies in the DOH Framework and Hospital Development Plan can be justified based on the following requirement of a new law or national policy, creation of new offices/units with specific competency requirements, occurrence of health and health-related emergencies, introduction of new technologies and innovations in WVSGH;
- v. The WVSGH can establish partnership with LD providers endorsed by DOH on the conduct of LDIs provided that they comply with the learning design aligned with the DOH competency framework and hospital development plan.

4) Delivery of LDIs

- i. LDIs for WVSGH staff development can be given in any of the following modes: Formal (post-graduate scholarships) and Non-Formal (non-degree programs);
- ii. LDIs may be both training and non- training activities delivered through face-to-face, online, or blended learning;
- iii. All LDIs attended by WVSGH personnel shall be aligned to training plans of respective LDO, noted by respective division head, validated and recommended by the L&D In-charge, and approved by the Medical Center Chief (MCC) via Personnel Order (PO).
- iv. All Personnel Orders for the conduct of LDIs shall be required an LD design by the division prior to the recommendation of the HR and approval of the MCC;
- v. With the certificate of attendance, the purpose of the PO is to monitor LDI attendance based on the LD Plan and Development Plan;
- vi. All LDI providers engaged in WVSGH for the delivery of LDIs shall be evaluated based on quality assurance standards of the DOH, and shall be required to be accredited or endorsed providers;
- vii. All LDIs to be attended by WVSGH staff must be aligned with the Staff LD Plan of their respective units and divisions;
- viii. In-service Scholarships shall follow the same provisions provided therein under Section VI. A, 4, h, from i-v of the adopted guidelines of DOH.
- ix. All in-service scholars of WVSGH shall be required to render return-service as per CSC MC No. 21 s. 2004 Re: Amendment to Section 68 of CSC MC No. 14, s. 1999 relative to the Guidelines on Study Leave, depending on the number of days training/schooling.
- x. International LDIs follow provisions under the same DOH guidelines, Section VI. A, 4, I, from i-ii.

5) Evaluation

- i. All WVSGH staff participating in LDIs shall provide a Level 1 evaluation or feedback of the concerned LD provider using the prescribed template in Annex F-F1;

- ii. All knowledge and skills acquired during the conduct of the LDI shall be measured through a level II evaluation which is in the form of pre & post-tests or return demonstrations;
- iii. All WVSGH staff shall accomplish the WAP (see Annex G) as the level III evaluation too upon completion of their respective LDIs, both local and international, and shall be signed by their immediate supervisor;
- iv. The WAP tool shall be monitored by the supervisor three (3) to six (6) months after the completion of LDIs;
- v. The results of the WAP evaluation shall be aligned with the IDP and IPCR of the WVSGH staff.

VI. COMPOSITION

The WVSGH PDC shall be composed by the following:

- 1. Chairperson-Head Professional Education, Training and Research Unit
- 2. Vice-Chairperson-HRMO
- 3. Core Members
 - 3.1 Respective Trainers per Division
- 4. LDOs-Unit Heads
- 5. Adviser
- 6. Secretariat- HR-L&D Pillar In-charge
 - 6.1 Alternate Secretariat/Preferred by the Chairperson

VII. ROLES AND RESPONSIBILITIES

A. Offices

1) Office of Strategy Management

- a) Provide oversight and technical assistance on the implementation of the WVSGH Integrated Learning and Development Management System;
- b) Develop, update, and review policies, standards and tools relative to LD management;
- c) Establish a competency framework based on the already established DOH competency framework;

- d) Assist the HRMO to consolidate the Annual WVSGH Staff LD Plan and determine the overall LD strategy and directions;
- e) Design, deliver, and evaluate LDIs required for the WVSGH employees to meet the most critical competency and performance gaps;
- f) Coordinate with the concerned unit/division and LDOs for the implementation of LDMS; and
- g) Augments HRMO to monitor and maintain an integrated database of all LDIs being attended and implemented across all WVSGH units and divisions.

2) Human Resource Management Office

- a) Oversight LDNA to all WVSGH staff and consolidate LD Plan through their respective division and Unit LDOs;
- b) Implement the appropriate LDIs in accordance with the LD Plan, using modalities and methods that are applicable in the respective divisions;
- c) Designate LDOs for every division/department/section/unit/offices/committees and programs, preferably heads themselves;
- d) Consolidate results of the LDNA from division/department/section/unit/offices/committees and programs and translate it into LD Plan through LDOs and augmentation from OSM;
- e) Together with the OSM, maintain a database of all LDIs being attended and implemented at the WVSGH and submit quarterly reports to OSM to be reflected in OPCR; and
- f) Facilitate accreditation of all LDIs initiated and implemented in WVSGH as well as if applied, renewal of respective PRC licenses, PhilHealth accreditation, S2 license, among relative others.

B. Personnel

1) Division/Department/Section/Unit/Office/Committee and Program Heads

- a) Endeavor to support Learning and Development initiatives and ensure the development of Annual Learning and Development and Development Plan as guide in the provision of LDIs, in conformity with the Part IV, Training of 2017 ORAOHRA, and the DOH DO 2019-0088 pertaining to Institutionalization of EOP in the DOH;
