WVSGH Customized RSP Policy and Guidelines

Western Visayas Sanitarium and General Hospital

WVSGH EXECOM

SUBJECT: **Customized Policy and Guidelines on the Recruitment, Selection, and Placement (RSP) for Appointments to First and Second Level Positions in the Western Visayas Sanitarium and General Hospital (WVSGH)**

I. BACKGROUND

The effectivity of Republic Act 11723 in May 17, 2022 concretizes the formal conversion of the Western Visayas Sanitarium (WVS) in Brgy. Inangayan, Municipality of Sta. Barbara, Iloilo, into a 300-Bed Level 2 Western Visayas Sanitarium and General Hospital (WVSGH) with Specialty Services in Infectious Diseases. Section C, VI of Administrative Order No. 2022-0030 of the Department of Health (DOH) pertaining to its Implementing Rules and Regulations (IRR) directs WVSGH for an increase of its health human resources based on the standard staffing patterns of DOH Hospitals indicated thereto. This simply necessitates WVSGH to evaluate its existing human resource complement, re-classify and/or purpose upgrading of positions, promote professional development, and hire additional staff to comply and conform to the Civil Service Commission (CSC) and DOH standards and intent of the Act.

Cognizant to this emerging preparation for an effective implementation of its expansion in health human resource, the WVSGH Management initially adopts the Program to Institutionalize Meritocracy and Excellence in Human Resource Management (PRIME-HRM), as per Hospital Memorandum No. 2021-0097 dated December 20, 2021, pursuant to the CSC Memorandum Circular No. 3, s. 2012, and in compliance to its application for Performance Governance System (PGS) Certification – Compliance Stage. The WVSGH Management believes firmly that through PRIME-HRM Implementation, it shall be able to strengthen the effectivity of its integral human resource development, as indicated therein its established Quality Policy and Quality Objectives, by institutionalizing systems and policies pertaining to the four (4) pillars of HRM – namely, the Recruitment, Selection, and Placement; Performance Management; Learning and Development; and Reward and Recognition. In fact, the recent approval of the WVSGH Customized Strategic Performance Management System (SPMS) Policy and Guidelines by the CSC Regional Office in September 14, 2022 is one of the significant accomplishments from this said purpose under its Governance Pillar thereof.

Meanwhile, the WVSGH has adopted only in practice the provisions containing therein the CSC Revised 2018 Omnibus Rules on Appointments and Other Human Resource Actions (ORAOHRA) to serve as the organization's guidelines on recruitment and selection; but has failed to adopt in document any of the issuances of the DOH pertaining to the same, despite being a DOH Hospital. Most recently, the DOH has already issued Department Order 2019-0437 relative to the "Internal Recruitment, Selection, and Placement Guidelines for Appointment to First, Second, and Executive/Managerial Positions in the Second Level in the Department of Health, and Its Offices," dated October 23, 2019, in response to the need of revising guidelines on recruitment and selection being effected by the CSC Resolution No. 1800692 which introduced amendments to certain provisions of the Revised 2018 ORAOHRA. In the midst of the identified gaps from its assumption beyond formal adoption, the WVSGH

Management is compelled to recognize the importance of its institutionalization as a system prior to practices and in consonant with policy contextualization.

In pursuit of concrete action plan from the conceived needs mentioned above is the Customized RSP Policy and Guidelines of the organization which is a relevant output to the Course Training on Recruitment, Selection, and Placement for PRIME-HRM Level 2 sponsored by the Civil Service Institute (CSI), series of orientations, seminars, and deliberations participated by the PRIME-HRM Team and the Personnel Selection Board (PSB), and the consolidated report of the current RSP practices of the hospital management.

This Customized RSP Policy and Guidelines of WVSGH, as integral part of the RSP Manual, shall direct the operationalization of the recruitment, selection, and placement process of the organization as anchored on the mandates and thrust of the DOH, and is indicative of RSP Framework appropriated accordingly to organizational context and maturity level of RSP management.

II. OBJECTIVES

Generally, this policy and guidelines aims that through its recruitment, selection, and placement the WVSGH fulfills with utmost effectivity its mandate as a DOH hospital and its established mission, vision, and strategic direction, concretized by its approved Republic Act 11723, to become a 300-Bed Level 2 General Hospital with Specialty Services in Infectious Diseases by 2025, and 500-Bed Level 3 Certified Green Medical Center with Toxicology and Infectious Diseases Specialty Center by 2030, all indicated therein the Hospital Development Plan 2020-2030.

Specifically, it aims to:

A. Institutionalized policy and guidelines on the recruitment, selection, and placement of appointees in the first and second level positions of the organization that is more responsive to hospital specific needs;

B. Facilitate effectively the hiring process in pursuit of health human resource expansion implied by its approved RA 11723 and its corresponding IRR, by making it more simplified and standardized across hospital divisions, and faithful to the requirements of CSC and DOH relative laws, rules, and regulations;

C. In-place a selection process based on objectivity and fairness, equal opportunity principles, and anti-discrimination laws, and aligned with the DOH competency-based qualification standards and established strategic direction of WVSGH;

D. Maintain a high level of individual and organizational effectiveness and productivity by equipping personnel and the hospital with necessary and relevant skills, knowledge, moral character and attitude, and experience to cope with the operational demands of the organization in the delivery of quality healthcare services;

E. Ensure effectiveness of RSP key players in administering a customized Recruitment, Selection and Placement Policy and Guidelines towards continual placement and promotion of highly competent individuals, compliant to the requirements of a process-defined level of PRIME-HRM implementation;

F. Ensure that appointments submitted by the hospital to the CSC or to the Regional Office/Field Office concerned will merit their approval/validation, and further limit possibility of technical violation cases in the proceedings;

G. Customize RSP policy and guidelines in pursuit of organizational strategic plans and direction, which, at par, covers the paradigm shift of RSP in the PRIME-HRM implementation – that is, from sheer compliance to initiatives, from mere adoption to customization and innovation of processes; and

H. Establish the WVSGH RSP Manual as PRIME-HRM Level 2 compliant.

III. SCOPE AND COVERAGE

As provided herein, the provisions of the WVSGH RSP Policy and Guidelines shall be adopted by all divisions, departments, units, sections, offices, and committees of the organization.

The system shall cover all officials and employees belonging to the first and second level positions in the hospital, except those whose appointments are beyond the jurisdiction of the head of the office as appointing authority, such as the Medical Center Chief, including all managerial/executive positions in the second level whose applications are directly submitted to the Secretary of Health and its proceedings belonging to the responsibility of the HRMPSB of DOH Central Office, such as the Chief of Medical Professional Staff, among others.

The system shall not cover employees whose nature of employment are not appointed under civil service laws, rules, and regulations, but rather hired by their distinctive technical assistance to the organization, such as the Job Order and Contract of Service (COS) personnel, including consultants. Policy and guidelines pertinent to the hiring of Job Order and COS personnel, however, shall instead be consistent to the rules provided by the Commission on Audit (COA) and Department of Budget and Management (DBM) Joint Circular No. 2, s. 2020, and adherent to DOH relative issuances pertaining the same, such as Department Memorandum 2020-0274 Re: "Implementing Guidelines on the Hiring and Rehiring of Individual Contract of Service/Job Order Personnel," dated May 22, 2020, and Department Memorandum 2022-0245 Re: "Guidelines on the Service Engagement and Preparation of Individual Contract of Service of Job Order and Contract of Service Personnel in the Department of Health for July to December 2022," dated June 8, 2022.

Moreover, previous appropriate RSP practices entailed by the policies and procedures contained in the DOH Merit Selection Plan (MSP), as per Department Order 2019-0278, and

in the DOH RSP Internal Guidelines, as per Department Order 2019-0437, such those pertinent to the alignment of DOH mandates and priorities, guiding principles and policies, established competency-based index, scoring criteria for selection process, forms for background investigation, criteria for interview, and other forms relative to RSP which are already established by the DOH as standard – are all carefully considered relevant and thus, maintained beyond customization process. As to the effect of the integration of adopted RSP System, without detrimental to its effective operationalization in pursuit of DOH mandates and organizational strategic objectives, certain areas of RSP are customized, to wit:

1. Mandatory Requisites of RSP Cycle – WVSGH Qualification Standards; System of Ranking Positions, and Merit Selection Plan;
2. Human Resource Merit Promotion and Selection Board (HRMPSB) Composition;
3. Delegation and/or delineation of important specific functions of RSP Key Players;
4. RSP Implementing Mechanisms and Guidelines proper and beneficial to organization;
5. Application of Individual Development Plans for Merit Promotion;
6. Recruitment, Selection, and Placement Calendar; and
7. Communication Plan.

Taken solely to establish a WVSGH RSP Manual, this proposal, therefore, is subject to prior submission to and approval of the top management and of CSC thereof.

Pursuant primarily to the PRIME-HRM requirement of RSP customization, and to the institutionalization of Equal Opportunity Principle (EOP) in the four (4) core areas of Human Resource Management, as per Department Order 2019-0088 dated May 6, 2019, the WVSGH management shall always ensure objectivity, engagement, and equality against forms of discrimination in its administration of RSP process, including trainings and formations for promotions, on account of political or religious affiliations, sex, sexual orientation and gender identity, civil status and work level position, age disability, or ethnicity.

Towards this end, the following policies and guidelines shall be then adopted:

A.1. **On Appointments**

1. As Essentially Discretionary Power

1.1 Appointment is an essentially discretionary power and must be performed by the officer in which it is vested according to his best lights, the only condition being that the appointee should possess the qualifications required by law (Luego vs. CSC 143 SCRA 327; CSC vs. De le Cruz; G.R. 158737, August 31, 2004 citing Salles vs. Francisco, 206 SCRA 621).

If he does, then the appointment cannot be faulted on the ground that there are others better qualified and should be preferred (Office of the Ombudsman vs. CSC, G.R. No. 159940, February 16, 2005 citing Lopez vs. CSC 194 SCRA 269, 1991; PCSO vs. CSC, G.R. SP No. 98800, August 12, 2008).

1.2 While the appointing authority has the discretion to choose whom to appoint, the choice is subject to the caveat that the appointee possesses the required qualifications (Abella vs. CSC, G.R. No. 152574, November 17, 2004; Caringal vs. PCSO, G.R. No. 161942, October 13, 2005).

1.3 Employees holding positions next-in-rank to the vacated position do not enjoy any vested right thereto for purposes of promotion (Umuso vs. CSC, 234SCRA 617).

2. **Requirement of Vacancy**

2.1 There can be no appointment to a non-vacant position. The incumbent must first be legally removed, or his appointment validly terminated before another one can be appointed for succession (Aquino vs. CSC, G.R. No. 92403, April 22, 1992).

3. **Disqualifications for Appointment**

3.1 An appointment shall not be issued to a person who has been dismissed for cause as enumerated in Section 50 (A), Rule X of the 2017 Rules on Administrative Cases in the Civil Service (RACCS), or has been found guilty of a crime where perpetual/temporary disqualification from appointment is attached as accessory penalty, unless an executive clemency has been granted; or in case an appointment has been issued, the same shall be disapproved/invalidated by the CSC.

3.1.1 Section 50 (A), Rule X of the 2017 RACCS indicates the following administrative grave offenses punishable by dismissal from service, to wit:

a. Serious Dishonesty;

b. Gross Neglect of Duty;

c. Grave Misconduct;

d. Being Notoriously Undesirable;

e. Conviction of a Crime Involving Moral Turpitude;

f. Falsification of Official Document;

g. Physical or mental disorder or disability due to immoral or vicious habits;

h. Receiving for personal use of a fee, gift or other valuable thing in the course of official duties or in connection therewith when such fee, gift or other valuable thing is given by any person in the hope or expectation of receiving a favor or better treatment than that accorded to other persons, or committing acts punishable under the anti-graft laws;

i. Contracting loans of money or other property from persons with whom the office of the employee has business relations;

j. Soliciting or accepting directly or indirectly, any gift, gratuity, favor, entertainment, loan or anything of monetary value in the course of one's official duties or in connection with any operation being regulated by, or any transaction which may be affected by the functions of one's office. The propriety or impropriety of the foregoing shall be determined by its value, kinship, or relationship between giver and receiver and the motivation. A thing of monetary value is one which is evidently or manifestly excessive by its very nature;

k. Nepotism; and

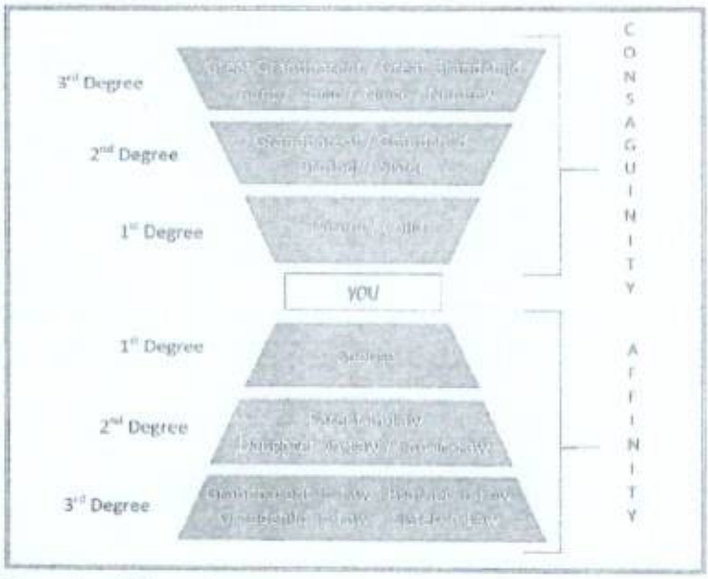

l. Disloyalty to the Republic of the Philippines and to the Filipino People.

4. **Prohibition Against Nepotism**

4.1 In the national government, there is Nepotism if an appointment is issued in favor of a relative within the third (3rd) civil degree of consanguinity or affinity of the appointing authority, recommending authority, chief of the office, or the person

exercising immediate supervision over the appointee (Section 59, Book V of Executive Order 292).

.4.1.1 The following figure sketches the immediate family members of a person in their civil degree of consanguinity and affinity:

4.2 The rule of Nepotism presupposes that the identified/enumerated relative of the appointee is appointed ahead than the appointee (BERSALES, Beta Bianca vs. CSC Decision No. 120137, February 27, 2012).

4.3 The prescription against Nepotism covers not only original appointment but also subsequent personnel actions of an employee such as promotion, transfer, reemployment, and the like (CSC Resolution No. 090953, February 7, 2009, Nonato, Alejandro Jr.); and applies to all modes of appointment, irrespective of status (CSC Resolution No. 93150, April 22, 1993, Mate, Uldarico).

4.4 Exempted from the rule of Nepotism are persons employed in confidential capacity, teachers, physicians and members of the Armed Forces of the Philippines (Section 59, Book V of Executive Order 292).

4.5 The prohibition on nepotism applies without regard to the actual merits of the proposed appointee and to the good intentions of the appointing or recommending authority and the prohibition against nepotism on appointments, whether original or promotional, is not intended by the legislative authority to penalize faithful service (Debulgado vs. CSC, 237 SCRA 184).

4.6 The prohibitive mantle on Nepotism includes designation because what cannot be done directly cannot be done indirectly (Laurel vs. CSC 203 SCRA 208-209; Debulgado vs. CSC, supra).

5. **Void Appointments**

5.1 Where there is fraud in the issuance of an appointment, the same is to be considered null and void, thus, revocation of such appointment is valid. However, the appointing authority cannot *motu propio* (at its own initiative) recall, revoke, or withdraw an appointment already accepted by the appointee. Civil service rules require the appointing authority to make the necessary request with the CSC for the revocation of an appointment due to fraud (TUBALLAS, Conchita, et al., CSC Decision No. 130508, May 17, 2013 citing Section 10, Rule XIII of the Revised Omnibus Rules on Appointments and Other Personnel Actions).

5.2 Appointments issued in violation of the rule of Nepotism are void from the beginning and must therefore be revoked (CSC Resolution No. 090953, supra). A void appointment cannot give rise to security of tenure on the part of the holder of the appointment.

6. **Issuance of Permanent Appointment; When Mandatory**

6.1 A permanent appointment shall be issued to a person who meets all the qualification requirements of the position to which he/she is being appointed. In case a temporary appointment is issued, the same shall be disapproved/invalidated.

7. **Issuance of Temporary Appointment; When Authorized**

7.1 The issuance of temporary appointments is authorized for the following Doctors in Teaching and Training Hospitals:

a. Medical Officer (MO) III who are undergoing the Residency Training Program (RTP).

b. Resident/s or trainees in their last year of their RTP may be appointed as MO IV if available and meritorious.

c. Doctors who completed their RTP and are eligible to make the Specialty board exam, in preparation for taking and passing the specialty exam, may be appointed as MO IV or MO III in the absence of MO IV position. The appointment is renewable every year for a maximum period of three (3) years.

In exceptional cases, extension beyond the maximum period may be allowed with justification subject to confirmation by the CSC.

d. Doctors undergoing Fellowship Training Program may be appointed as MO IV or MO III in the absence of MO IV position.

e. Doctors who completed their RTP and are already Diplomates/Fellow and have been appointed as MO IV prior to this issuance due to the absence of available Medical Specialist (MS) position. Appointment is renewable every year for a minimum of three (3) years or until an MS position has been made available. In exceptional cases, extension beyond the maximum period may be allowed with justification subject to confirmation by the CSC.

8. **Effect of Pending Administrative Case on Promotion**

8.1 A pending administrative case is not a disqualification for promotion, unless the QS of a particular vacant position requires it otherwise, subject to CSC approval.

9. **Three (3) Salary Grade Limitation on Promotion**

9.1 No employee may be appointed to a position which is more than three (3) salary grades higher than his/her present position.

9.2 Appointments issued in violation of this policy shall be disapproved/invalidated, except when the promotional appointment falls within the purview of the following exceptions:

a. The position occupied by the employee is next-in-rank to the vacant position as identified in the agency Merit Selection Plan and System of Ranking Positions.

b. The vacant position is a lone or entrance position as indicated in the agency staffing pattern.

f. Other meritorious cases, such as, but not limited to:

i. When the appointee is the lone applicant who meets all the requirements of the position and passed through the deep selection process;

ii. When the next-in-rank position as identified in the organization SRP is vacant;

iii. When the next-in-rank employee/s is/are not qualified;

iv. When the qualified next-in-rank employees did not apply;

v. When the qualified next-in-rank employees waived in writing their right over the vacant position.

9. 3 The limitation applies only to promotions within the organization and not to the following human resource actions which involve the issuance of an appointment:

a. Transfer incidental to promotion provided that the appointee was subjected to deep selection;

b. Reappointment involving promotion from non-career to career provided that the appointee was subjected to deep selection;

c. Reappointment from career to non-career position; and

d. Reemployment.

9. 4 In the selection process, the head of the office may be enjoined to observe the three (3)-salary grade limitation rule to avoid possible disapproval or invalidation of promotional appointments.

9. 5 To facilitate review and evaluation of appointments, the RSP shall be established and submitted to the head of the office for reference, copy furnished the CSC Regional/Field Office concerned.

9. 6 The SRP shall be employed as one of the bases for determining organization compliance with the three (3) salary grade limitation on promotion.

9. 7 Employees who have been found guilty and meted the corresponding penalties imposed have the following limitations/disqualifications on promotion:

a. Demotion: disqualification from promotion for one (1) year;

b. Suspension: disqualification for promotion corresponding to the period of suspension;

c. Fine: disqualification for promotion for the same period the respondent is fined;

d. The penalty of reprimand shall not carry any necessary penalty; and

e. Warning or admonition is not considered a penalty.

9. 8 Except as otherwise provided by law, promotion within six (6) months prior to compulsory retirement shall not be allowed.

9. 9 Except in meritorious cases as may be authorized by the CSC, the organization shall not fill up vacancies resulting from promotion until the promotional appointments have been approved/validated by the CSC.

10. **Performance Rating Required**

10. 1 For appointment by promotion or transfer, the performance rating of the appointee in the last rating period prior to the date of assessment or screening should be at least Very Satisfactory.

10. 2 Those who are on scholarship or training grant or on official leave of absence/maternity leave are eligible for promotion provided that the performance rating in the last rating period prior to the grant or leave of absence should at least be Very Satisfactory.

10. 3 If promoted, the effectivity date of appointment shall be on the assumption to duty or upon return from official leave of absence/maternity leave, scholarship, or training grant.

10. 4 The performance rating of at least Very Satisfactory (VS) in the last rating period shall not be required for promotion from the first to second level entry promotion.

No. 160791, February 13, 2007 which was cited in BREGAUDIT, Pamela M., CSC Resolution No. 100819, April 27, 2010).

Both rank-and-file representatives shall serve for a period of two (2) years.

H. Regular meeting of the Board shall be held with the Chairperson as the Presiding Officer. In view of the new normal health situation, virtual meetings may be employed in place of the physical sessions and interviews with candidates may follow the same, depending on actual demand of the time and context, wherever is effective while maintaining health safety of all.
